

## **SUSAN ERSHLER**

### **AUDIO / VISUAL REQUIREMENTS**

- **Wireless Lavalier Microphone**
- **LCD Projector Unit**
- **Remote slide advancer**
- **Large Screen or Screens (As large as possible)**
- **Riser or Stage**
- **If no production company responsible for audio visual then laptop P.C. will be required that is Power Point capable. Susan's presentation is in Power Point format. She will provide the presentation on a CD. The Power Point is very large in size and contains large JPEG images.**
- **No Lectern is required or used. If there is a lectern on stage for other speakers, it would be best if it could be moved out of the way, perhaps to the back of the stage, during Susan's presentation.**
